ISSUE #2 | DECEMBER 2025

Yule | Christmas

Thank you for being a part of HAUTMONDE's first opening month in November 2025!

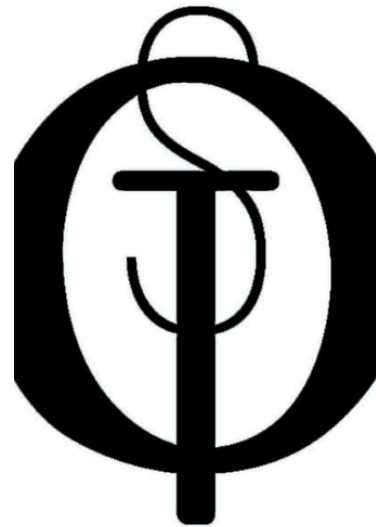

As we launch into the New Year, we are all called forth to celebrate with loved ones & friends near and far, making holiday toasts, counting our blessings from 2025, and creating positive and life changing resolutions for a bright 2026!

As many of you may be aware, Spirit Of Twilight LLC (the parent company of HAUTMONDE), is still alive as a celebrated brand by many, we just changed our image to include friends into a small business world of wonder.

So, don't forget to shop small this Holiday Season and every season forth!

May you all be blessed and prosperous in 2026!

From HAUTMONDE and Beyond, May You and Yours have a Blissful Holiday!
